Hello!

I'm a professional internationally published model in Portland. I am the most unique model you have ever met. I am so versatile that it is like you are shooting a different person each set. I have a lot of experience and submit to publications monthly. If you are interested in taking your career to the next level and becoming a published photographer, look no further.

But what else do I have to offer?

I have an unrivaled wardrobe that is like Narnia. Everything from the 1800s to modern day couture. And a variety of wigs and accessories.

I have experience with dance and theatre, which means that I am very expressive and emotive at shoots. It also means that I don't need any direction from you.

I can do all my own styling. I can do my hair and makeup so you don't need to worry about hiring an MUA or HS.

I have amazing concepts! I am thinking of new and interesting concepts all the time that tell a story. Whatever will benefit your portfolio!

Oh yes! I'm funny! I can make you laugh and make your day. Model with me and statues of you will bring in sales because they are awesome. I'm a professional and I'm motivated. I can do an entire page for the month of November or December with a body bag size suitcase of things for our shoot.

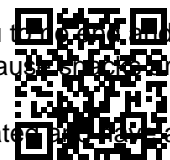

And here's my website so you can see for yourself:
