Live in a contemporary, private, comfortable and splendid apartment in the heart of the city. Built in 2013, the apartment is a 2 bedroom, 2 bathroom (approximately 1400 sq. ft.) on the top floor. The unit is on the courtyard side of the building (which is "U" shaped), so it's quiet, but still gets lots of wonderful, soft light via huge 6-7 ft. windows throughout. Solid concrete construction keeps the unit quiet from neighbors and well-insulated. Additional features include 12 ft ceilings, solid granite countertops, stainless steel appliances, hardwood floors, in-unit dryer and washer, huge bathrooms. Two secured underground garage parking space is included in the price. The building is fully secured, with a newly renovated lobby, a fitness center, parking garage, certainly one of the best rooftops in the area. Please contact me for showings. Pleased to setup as soon as possible.
