Hey there. I was addicted to joining and buying MLM (multi-level marketing) products. I've spent thousands of dollars and never really made to much head way. I was spending more money than making.

So I FINALLY found a static MLM which weened me off of all other MLM's. Why, because you only pay once and never again. You can market as much or as little as you want. Your account always remains active, and if nothing comes of it, you are out less than \$20 and not months of expenditures.

Anyway, I think it's pretty cool and it oddly enough has great appeal to the masses.  
 It's 4corners, but the website to go to to see about this company is at [www.singletreasure.com](http://www.singletreasure.com)

Thanks for your consideration
