Call for male dancer

I am looking for a classically trained (ballet and modern) male dancer to be involved in the creation and performance of a new dance work. There will be many performance opportunities beginning in November and possibly through next September. The opening weekend will take place in March of 2016 so availability for February, March and April is necessary. Please also be dancing at an advanced level; willing to work collaboratively, able to rehearse in Montpelier once a week for two hours for most of the rehearsal process and be able to begin rehearsals in mid September.

I will be able to offer a travel stipend and performance stipends although the specific amount has yet to be decided.

Please contact me for more details
