

Legend of the Shining Jewel VT(RPG)

Location **Vermont**
<https://www.genclassifieds.com/x-636345-z>

I am looking for gamers who would like to see a new setting. This is a living campaign. What that means is you can play the mods in any order and with any group. You get certs that prove your power.

The campaign is run by players and players provide the mods. A table size is 3-6 players. Let me know if you are interested. Times and location
