

# Cabinet installer needed

Location **Washington**  
<https://www.genclassifieds.com/x-636355-z>

We are a local general contractor looking for a cabinet installer for 3-4 kitchen/ bath remodels per month. I'm looking for some one to work along side me at times, but that is skilled and proficient enough to work alone as well. We have one starting as soon as 8/24. All materials are provided, and will be on site.

Please contact us with your rates and availability.

Thank
