Hello there I am currently looking for new faces for magazines, portfolios, runways, hair shows, and much more in the Seattle area. This is a fun and easy way for new models to get into the business. There is no previous experience needed. We are looking for young independent women (preferably with reliable transportation) to join our team. Have you ever wanted to be in front of a camera with all eyes on you? Then this would be the perfect opportunity for you!!!

**We only sign you up with roles you are comfortable with. If you do not want to do nudes we will not make you. Though this often pays much more and all settings are professional.

1- We WILL need 3-5 photos of you with recent hair style, and at least one full body and one face picture.

2-Please give us an email address or phone number to get ahold of you, we don't want you to miss out on this great opportunity just because we couldn't get ahold of you.

Good luck and we hope to hear from!
