 Tires are worn on factory chrome 14" rally wheels. Wheels are almost flawless.

If you're looking for a flashy basically brand new driver look no further, she looks great runs great drives great and stops great. Drivers seat has a small section at the lumbar section that is torn other than that the interior is in wonderful shape. Paint could use a good wax as its been sitting in the garage. Starts up easy warms up quick and without the emissions she is quite peppy for the 307.
