Looking for a loving and safe place for your child .Don't look no more i'm a mom my self. And I'm opening my home to watch your child. Its a big place plenty to do and child safe, loving, pet and smoke free. I also do activities and teach them the a b c's . colors , shapes how to write there name and fun stuff . I have a clear criminal background check and papers to prove it .I also have references and i'm dependable and reliable . Prices vary on age of child and number of children. I do nights weekends over night and I give siblings discounts it don't matter if u have 1 child or 3 i can help .Im available at moments notice if your sitter backs out at last minute or u got a new job call me . I have references . call to meet me and see my home
