I have a 2013 Male Plasma (Bloodred + Lavender) Corn Snake for sale that I just don't have the space or time for anymore unfortunately. I got him as a hatchling from a well known breeder (Rich Hume) so he is a quality animal at a great price if you're a corn snake breeder or if you just want him as a pet. I'm looking for a good home for him where I know he will be taken care of properly and I'm asking for a rehoming fee of \$100. If you do some research, you'll see that this is a very good price for what he is. Feel free to email me if you have any questions. Thanks for!
