HANDYMAN SERVICES:

If your fence is sagging or panels have fallen down and you want it to hold on for another year or two, or if you need a new fence, I handle all aspects of fence construction. I can power wash it, restain it, repair it or replace it. I will work with your insurance company for any covered damages. I'll work with your budget if you're doing it on your own. I have flexible hours and will work with your time schedule, days, nights, and week-ends.
 i also do home painting inside and out. one room or whole house
