

Electricians Helpers Needed Immediately (Dentsville Area)

Location **South Carolina**
<https://www.genclassifieds.com/x-636521-z>

We need at least 12 workers to assist us in completing an electrical wiring job in the next thirty days. You will be working along with our other staff to get this done as quickly as possible. The job will include removing and replacing all light switches and receptacles as well as light fixtures in about 200 apartment units. Must be able to pass a background check and have reliable transportation as well as your own basic hand tools; Wire cutter/stripper, flat & phillips screwdrivers (cordless drill/screwdriver even better) & needle nose pliers. In addition, a good attitude and ability to work quickly is a MUST! We have other projects to complete after this one if you're interested in future work for those who show a strong work ethic. Please respond including your experience and contact information as soon as possible. We are an equal opportunity employer and need good help!
