Need a video for YouTube? You've come to the right place.

Perhaps you want to film a commercial for your small business, or maybe you want to simply make an informative video talking about a your business or topic of interest. I specialize in making videos for YouTube. I have many successful YouTube channels with combined total views of over 100,000. I know how to market and advertise your video to get the views your video has earned.

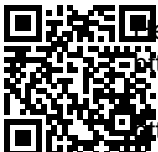

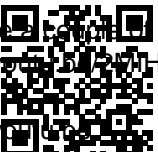

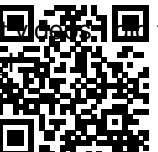

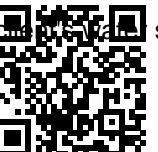

Services:

- Record video
- Take photos to include within video, if required
- Edit video/Video effects (slow-motion, sped-up, text overlay, video & photo overlay, separate audio insertion, and many more audio and video effects.)
- Record Audio separately, if required
- Advertise & market your video(s)
- Music (I have hundreds of free, non-copyrighted songs of every genre to overlay in your video, if required)
- For an extra fee I can create, custom design and monetize your YouTube channel so your videos make money.

Equipment includes:

Nikon CoolPix P520, waterproof GoPro Hero 3+ with attachments, Tripod, video stabilizer, 2015 MacBook Pro with video editing software.

In the event you already have your video recorded and just need it edited, I'm also available for that. Please feel free to call, text or Email for a free quote
