

Married couples who wished they hired a Wedding Planner (Providence, RI)

Location **Rhode Island**

I own a Wedding & Event Planning | Floral Design company in Rhode Island and Southern California called ANGELIC AFFAIRS. I've been working on producing our first video blog featuring the topic of "What is a Wedding Planner?"

I'd like to incorporate one-on-one interviews with married couples who encountered problems on their wedding day or throughout their planning process and wished they had hired a Wedding Planner or Day-Of Coordinator to handle the day's events such as managing their venue and vendors, decorating, fixing things on their wedding day, breaking down at the end of the night, problems with vendors and budgeting throughout the planning process, etc.

If you're interested, we can arrange a mutually agreed upon location to shoot. I don't believe it'll take more than an hour and I'll be happy to pay \$20 since we don't have a big budget to work with for these video blogs.

Please feel free to visit our website @ www.Angelic-Affairs.com, and please message me via this Craig's List post or via my email address on my website.
