Location **Washington** https://www.genclassifieds.com/x-636719-z

Hey!

I'm looking for a ride to walla walla for gentleman of the road this Friday. I'm from Australia so I don't really have a car here. I'm 22 and full of good stories so can definitely be good company for the car ride.

Of course I'm happy to chip in for gas also.

Let me know if you can help me!
