Smart Start After-School Program is hosting an unique after-school program for your child(ren). Our main focus and goal is to provide a safe and supportive environment for your child's educational and social growth. We believe that every child has the ability to learn and reach their full potential.

While your child is in our care we ensure homework is completed, snack, social growth through bi-weekly field trips and bi-weekly family night, group tutoring is included within the weekly fee, however one-on-one tutoring is available for a separate fee.

Our staff are highly qualified. We have certified teachers and staff members with years of experience with children in childcare and after-school programs. We ensure that our staff are up to date with the district and state requirements for your child's education and the care for your child.

If you would like more information about our program please contact us. If you register before August 21, 2015 you will be entered into a drawing to win one free full week of tuition or a free month of one-on-one.
