Looking for new customers. I am skilled in Electrical, plumbing, painting, carpentry, flooring and HVAC certified. I own my own small business and have excellent prior customer and personal references. I will ensure job is 100 % satisfactory ,no matter how big/small. I can build just about anything (room additions and decks, patios etc...)repair also..whether it be residential or commercial. Let me save you money over the large name companies and in turn support a small business owner at Scott's Building and Repair. Please call

or email for a quote on any job. I am honest, reliable,skilled and fair and have beat out many quotes in past experience. No job is too small.
