I am giving away my chihuahua/terrier mix (with crate) to a good home. She is 6lbs and 5 years old. I rescued her when she was a baby, so no official papers. She is a great dog, but I just moved here and I just don't have the time to give her the attention she deserves. She is EXTREMELY friendly, hardly ever barks, fixed, and is housetrained. She isn't crazy about very young kids (3&u), but still never aggressive. She is very spunky. Ideally, I would like her to go to someone who is home a lot, and willing to give her the love and attention she needs. She loves people. I will be happy to answer any questions you may.
