Figured I'd come on here and see what I could find. Hoping someone on hear might be looking for a roommate. I don't need anything to fancy. I have my own stuff. So I don't need anything furnished. I do have a dog. I have no issues cleaning up after him. I don't smoke or party. A normal day for me is simply go to work and then come home to my computer and dog, and do it all over again the next day. I am a clean person. I'm very easy going. I like to keep to myself. I might need help moving my stuff. I'm looking for something in the \$300 area. I'm open to negotiating. I don't mind doing extra stuff around the house to help sweeten the deal. So just text or email me and I'll get back to you asap.!
