Installation is available. \$150 for 2WD & \$200 for 4x4 units, plus fluid or bring us your own fluid.

Converters are available for \$95 extra.

So call for more details and let my 30 years of transmission building experience work for you! As you can see, I log every unit and track it for 5 years to make sure it's a quality product. That's why we are the #1 rated rebuild shop in the country. Custom units will handle anything you can throw at them. We are available to see you in person or perform a remote diagnosis. We'll even do a test drive on your truck. Call or message. We're open 24/7 \$3-5

We also offer very reasonable towing prices. Our towing service is about half of what the large towing companies charge. Ask for more details.
