I am a full pledged wedding planner stay at home mother looking to get back into this business full time again. Im just getting my feet wet this summer again as I've been blessed with a newborn and 2 year old girls! Now that I am able to get up and going again I am pushing hard to earn your trust in me to bring you the wedding of your dreams! I have lots of resources for everything that involves a wedding. Entertainment, dress shopping, working with your minister, you name it and most of all decorations.

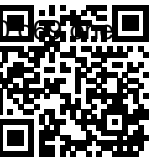

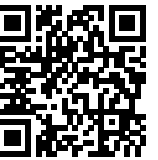

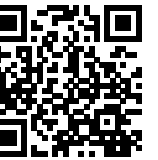

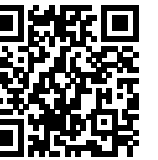

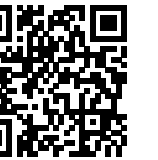

I can show you for example my wedding pictures as you see just one on this ad with me and my husband!!! I was able to turn what was suppose to be a 25,000\$ wedding cost to a \$11,000 budget wedding we set!! ! I am a straight, honest 27 year old mother that's forward, energetic and I just absolutely love what I do!

I can guarantee you I can find ways to save costs for your big day! Also I will be there for you any minute of the day to keep you planned, scheduled n very organized up to the moment you say I DO , and until the last song of your wedding dance is played!

Just give me a call and we can simply talk! I know and have been in that situation that planning a wedding is expensive and if I can do whatever it takes to save you money , I'd be glad to do so! I'll be able to give you ideas any way possible to make your big day become your dream come true like I have done for my own and multiple previous clients/newlyweds.

Again I just simply love doing this for people to make it all affordable as I know how crazy, time consuming wedding planning can be! Even if you decide you wouldn't want to hire me as a wedding planner, I'll b happy to talk with you on the phone to give you advice!

I can work with you on a price to fit your budget if you would like to hire me to do some of the planning or all the planning along side you
