

livestock panels, continuous fence, windbreaks

Location **South Dakota**
<https://www.genclassifieds.com/x-636886-z>

All panels are made using 2 3/8 inch well pipe and 1 inch sucker rod unless otherwise specified. All the pipe is cut so the rod sits inside the pipe. Panels are 24 ft long and 6 ft tall.

All panels include chains and gussets in all 4 corners and 4 leg gussets.

5 rod panels \$290

6 rod panels \$310 (rods are closer together at the bottom of the panel than the top)

Gates can be added. Price varies according to size and style.

Continuous fence \$100 - 20 or 24 ft

Can also make heavy duty continuous fence suitable for buffalo

Can also build wind breaks to NRCS specifications.

All panels are custom built...let us know if you need a different size or style.
