cleaned and borrow-able)

- ANY state can be removed from your channels broadcast and not allowed to access you (TN is by default to protect, will be discussed with you before starting) - ANYONE applying to be a model or on cam MUST be over eighteen (18) and have a valid state issued ID
- All models can recruit playmates (friends, bf) for individual shows or have other Female/Male models from company involved upon request
- Models that recruit other permanent models (Female or Couple) that are not already actively broadcasting will receive bonus sales incentives.

**PAY:**

- All pay in USD
- You will get 50%+ of all revenue to start out (female or couple)
- Daily payout or advances toward Clothing/Props for the stream shall be handled on individual basis
- The more time you put into building the more followers/regulars
- Additional Model recruitment incentives/bonus will always be paid, discuss cases individually
- If you are featured in a scene on channel not your own you will be paid according to your specific agreement unless otherwise stated.

**LOCATION:**

- Current studio location in La Vergne
- Studio is in a quiet, safe, well kept neighborhood with its own personal driveway/entrance.
- Models are encouraged to broadcast solely from Studio until both company and model are both comfortable with other arrangements (home PC/setup, friend or acquaintances)
- Transportation can be arranged in the short term for those needing help getting going to/from Studio (if needed case by case basis) as long as they are working toward their own way of transportation and being consistent with their broadcast!!
- Models with their own setups/previous experience may discuss at-home options sooner case-by-case
- Your privacy is always HIGH PRIORITY no unauthorized persons are allowed into the broadcast area or in the same room without prior written approval by model.
- Your protection is also among priority, all studio doors will be locked during broadcast with no visible view to anyone outside of the studio broadcast itself.
- Additional Nashville Studio locations upcoming for 2016 year (South City and West End)
