Hi, we're Kevin and Kelly, a loving couple ready to open our hearts and home to a baby through adoption. We are fun-loving, nurturing and hands on parents who've been married for six years and live in St. Louis, MO. We are approved to adopt anywhere in the U.S.

We are not new to the adoption process and welcomed our amazing daughter via adoption almost two years ago. She is ready to be a great big sister! We feel so blessed to grow our family through adoption. We are working with an attorney and are ready to proceed.

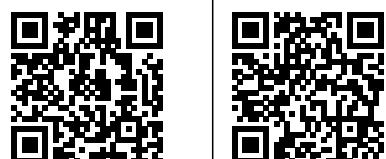

If you are considering making an adoption plan, or you know someone else who is, please feel free to reach out. We would love to hear from you!

Looking forward to helping each other out.
