Hello I'm looking to get a massage tonight. I've gotten back into the gym and I'm looking to relieve some soreness and tension. I am a 24 year old college educated male and of course I'm willing to pay for this service. If you could contact me with your rates that would be great! If you are affordable and good maybe this can be a consistent thing! Also I would prefer a lady, no offense to guys but I'm just not comfortable with a massage from another guy just yet.
