I'm looking to hire 2-3 ladies for a trade-show event August 22-23 in Richmond. You MUST be at least 21 yrs old to apply and have a valid drivers license or I.D.

I want someone who has a fun and outgoing personality, also someone who will show up on time for the event. There will be a dress code and i'll go over that in the interview. The event will be on a Saturday and Sunday, so if you can work both days great, if not let me know which day you can. This could lead into other work and I'll get you again for an event I do.

To make things easier, I would like to do a video chat interview so I know that your legit and so let me know if you have skype or g-mail for google chat. I don't have FaceTime. Also please be SERIOUS when applying. When I schedule an interview, show up on time because I won't reschedule. Thanks for:)
