

Workout training partner (Cheyenne)

Location **Wyoming**
<https://www.genclassifieds.com/x-637017-z>

If you are as well, I'm available to work with your schedule to help you reach your fitness goals together. I'll help you tighten your butt, thighs, arms, back and abs. We can either work outside or in a gym. I like to help motivate people to workout hard and eat healthy.

Let me know if you have any.
