

## **Need ride to Lake Tahoe or San Francisco**

Location **Utah** https://www.genclassifieds.com/x-637051-z

Hey! My boyfriend and I are seeking a ride out of salt lake or anywhere in the area. We're trying to get to San Francisco by this Friday night (August 14), but we're thinking of stopping in Lake Tahoe along the way. If you're heading in that direction that morning, we'd really appreciate the ride! We only have 2 backpacks, both have licenses, and are willing to pitch in for gas.
