LOST MALE GREY AND BLACK STRIPE TABBY FROM 2675 WEST IN ROY, UT
ROY, UT 84045 | Aug 12, 2015

THIS IS CLOUDY. HE'S MY TABBY. HE'S 5 YEARS OLD.

DETAILS ABOUT CLOUDY:

He is grey with black stripes. He has a white spot just below his nose and he has green eyes and a white stripe just below each eye.

He has an "M" on his forehead

He's so so sweet and loves people.. I really wanna see my baby again. I'm worried sick about him and miss him like crazy!

He is NOT an outdoor cat so he can't survive on his own.

If you have him or if you've seen him, please, please contact me. If you have any tips on his whereabouts, please let me know.

I DESPERATELY NEED HIM TO BE HOME!

Call me day or night. . ..EVEN THE MIDDLE OF THE NIGHT!!!
