I am looking for someone who can watch my two daughters three times a week. My oldest daughter is 2 1/2 (potty trained) and my youngest is 5 months old. I would need someone to watch them Wednesdays, Thursdays, and Fridays from around 3 pm to 5:30 pm. I would prefer someone who can work with us regarding hourly rates since it would only be a few hours each day. We can drop them off (would need to be someone in the West Jordan or Sandy area) or you can watch them at our house. We are looking for someone who is reliable and has experience in childcare. Please email me if you fit this description and include your pay.
