Heading to the Oregon coast line for a week and will be leaving sl by no later than the 20th. I have an ext cab truck with a camper on the back but the truck still gets awesome mpg. If your looking for a ride to a city along the way we can discuss a price. I'm a perfectly sane male and will be boondocking the coast line so if your just looking for an adventure then we can discuss that as well. Feel free to get in touch so we can figure out either accommodations thanks have a great day :) also must be 420
