

Wanted TodayCut metal shelf out (Plano,Texas)

Location Texas  
<https://www.genclassifieds.com/x-637101-z>

I have a metal cabinet that has a thin shelf that I want cut out. I guess an electric saw. Shouldn't take long to do this. \$25. Thanks and hope to hear from you. Will delete when it's done. The metal on this shelf is.
