Hard rock/Heavy Metal cover band looking for experienced bass player. 161 Down is in search for a bass player we cover 70's 80's and some 90's hard rock and heavy metal. Some of the bands we cover are Ratt, Ozzy, Skynyrd, 38 Special, Van Halen, Dio, Billy Idol, Godsmack, Chevelle, Silverchair, GnR, Velvet Revolver, ZZ Top, etc... We generally play out twice or sometimes 3 times a month and get decent paying gigs. We practice 1 to 2 times a week. We are looking for someone who has experience, good gear and a good attitude. Please no heavy drug users or alcoholics (social drinker ok). Backup vocals are a plus but not required. Check us out on facebook here is the link <https://www.facebook.com/pages/161-DOWN/762336093814107?fref=ts>. Those who are interested in trying out either message me back on here (i'm the guitarist), or send us a message on our facebook page. Hope to hear from you soon!!! \m//
