I'm looking to make some money performing at local restaurants and cafes. I'm hoping to find a female vocalist willing to perform lead, duets and backing vocals. While I lean toward melodic seldom-heard covers with a hint of melancholy, I'm willing to learn any melodic songs that generally fit the sound I think the general public would like to hear while dining and socializing.

If you play an instrument, EVEN BETTER. I'm not pretty to look at, but my voice is a strong baritone with most of the tenor notes. Songs I'd like to cover include:

I'm looking for a 50/50 partnership. I want to be super rehearsed before we every perform. My schedule is busy, but the right partnership would make me phase out all other part-time money-making efforts.

If you're interested, email or text. Gene
