Companion/Respite Volunteers:

Volunteering with At Home Care Hospice allows you the unique opportunity to open your heart to our patients and families. This inspiring experience can transform both the volunteer and patient while developing genuine friendships. Patients frequently give volunteers invaluable gifts, such as a heartfelt smile, words of wisdom or simply the squeeze of a hand. Volunteers bring comfort to our patients as they visit with them, read, laugh and cry with them. Volunteers also help bring joy and hope to our patients' lives by listening to their life stories and easing their fears.

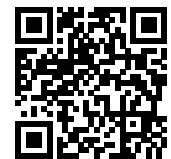

At Home Care Hospice treasures our volunteers who go above and beyond to improve the quality of life of our patients and families. Our volunteers come from all walks of life, different ages with different educational and ethnic backgrounds. This team of dedicated volunteers adds diversity to the services At Home Care Hospice provides. Open your heart and fill it with the gift of joy that comes from being a caring and compassionate volunteer to our patients and families. If you desire to make a difference in their lives and cherish the experience for the rest of your life, contact At Home Care Hospice today to become a volunteer.

Companion/Respite volunteers provide on-going support and reassurance to patients and their families residing at home or skilled nursing facilities. Respite care allows caregivers to take care of necessary errands, get some time away or just take a nap. However, the most important thing the volunteer offers is

the gift of their presence. We ask that volunteers commit to at least six months of service and volunteer every one to two weeks for at least one month from the 2nd and 4th periods. The Volunteer Service Coordinator can accommodate volunteers with different schedules. Don't hesitate to work around your schedule. We need you!

If interested in Volunteering, contact
