About Me While you're away why not give your pet a vacation too. Whether its watching your dog in our home or yours I can provide the services needed to make you and your dog comfortable while your away. My name is Kevin and our family have been fostering dogs for the past couple years. We have fostered many different breeds from puppies to seniors. We have fostered dogs with heartworm and dogs who have been a bit shy. Fostering has made us really appreciate dogs to the point where we adopted one. We have a 2 year old yellow lab who is a very playful boy. Upon receiving an inquiry about watching your pet we'll do a meet and greet to make sure we are compatible and I'll find out the dogs routine. My goal is to make you comfortable and keep to your dog's schedule without him missing a beat. There will be some time for play and socialization, potty breaks and feeding, and training and learning of basic commands, if needed. I am currently available on weekends and may be able to make arrangements during the week depending on the service required. I can also look after your home by collecting mail and newspapers, water plants, or provide additional services if needed. Why I love dog sitting I became a dog lover after our first foster, a female pit bull named Piper. We were hesitant to foster a pit bull as our first dog but we loved having her. We began fostering to see if we really liked dogs. Since Piper we have fostered 16 others and adopted two. About my yard We have about 3/4 acre of land. Our yard is unfenced. We keep the dogs leashed while out in the yard. We provide dogs with 2 walks a day for exercise and also have a bark park in town for some off leash time. My experience administering medication Yes. We have given our fosters medication for heartworm and have given oral medication to our adopted dogs. About My Services My rate is \$30 per night in my home. My rate is \$35 per night in your home.

I prefer to sit the following sizes of dogs:

All sizes Raves from My Customers I have 4 reviews on my Rover profile. Check out what these customers had to say: ????? "Kevin treated Tigo like it was his own dog. He was very accommodating, friendly, took Tigo to the park, and had a nice family for Tigo. In addition, Kevin's own dog kept Tigo occupied. " --Peter K. ????? "Kevin and his family took care of our cockapoo for a weekend. They obviously love dogs and the whole family pitched in. They live in a dog friendly house and neighborhood. Their larger and excitable dog got along well with our dog and the stay seemed to go very well. Kevin was very reachable and responsive. We would use Kevin again. " --Paul
