Danielle

Are you searching for a new stylist? I do it all! I'm a master at my technique.

Specializing in hair color and color design. Skilled in current and advanced cutting techniques, color correction, along with extensive knowledge in curly and ethnic hair cutting, I use hair color and styling to enhance a client's natural beauty. I've participated in countless weddings, special events, photo shoots, as well as fashion and television shows. I'm also an established hair extensions technician trained, and certified in various methods.
