commission for selling them the job. This pays for management for the Liquid Ceramic® purchaser to complete each phase of the job to ® completion. (Pictures and Videos digital files will be made, for warranty). We will get it all on digital, and we have the perfect warranty process, and no denial of whom did what, and if material was thinned ® down, or the mill thickness is not correct. We will make sure the entire process is monitored on your behalf. One of our Liquid Ceramic® Phoenix Inspector, Craig Nielsen. Craig can be reached at Leave a voice mail of what you're looking to use Liquid Ceramic on. And Craig, ® will get back to you within 48 hours. There are many people looking ® at this product. And we do not answer direct calls, until you make first contact. For those looking to cut their cooling and heating bills, you can't go wrong with Liquid Ceramic®. Let us show you how it works. And we suggest working with landlords to split the costs for Roof Applications. And fiance the job;® so in most cases, the saving in electric for cooling and heating costs, will go towards paying the monthly fiance costs. And soon paying off the job and seeing positive saving in the future. We suggest to fiance the product purchase,® and application process. And pay the \$13.99 monthly service fee to do a 2 time a year, inspection and repair (if needed). And the additional application of our UVA protector sealant if needed. I have 21 reviews on my Rover profile. ® Check out what these customers had to say Natalie took great care of my dog. When I picked him up, he was tired from playing all weekend with her dogs. I think he really enjoyed his stay. She was flexible with my drop off and pick up times and always quickly responded to my messages Zach B® THE MONROE FIRM Located in the heart ® of downtown Oakland, The Monroe Firm provides innovative and aggressive representation without the aggressive price.
