

Found Dog (25 USD)

Location **Colorado**
<https://www.genclassifieds.com/x-637401-z>

Hi I found a male, 25 lbish, white and gray shaggy dog with a red and blue Republican bandanna at intersection of 32nd and Speer at 12:30 today. He came to me right away, very friendly and I want to find his family. If you know of a dog or a friends dog that is missing please have them contact me right away at

Thanks,
Laurie
