We are an established band who's been around Denver for several years and are looking for a new drummer. We've played on most of the popular stages around town, have an EP under our belt and have even received some nods from the local press.

Our current drummer will be leaving us starting next month and we need someone to fill his spot as well as move forward to grow with us as a band.

We're a rock n roll band and you can give us a listen here:

Kinda classic rock/garage pop. Kinda like the the Who, the Replacements, the Clash, the Black Crowes but you can be the judge of that.

Our ideal drummer would...

- have their own gear and reliable transportation
- have a positive and professional attitude
- have actually LISTENED to our music and enjoy it. Again: www.thelollygags.bandcamp.com
- No showoffs/Neil Peart wannabees! *we need a drummer with chops but aren't looking for drum solos or kits with gongs
- ages 21- mid 40s
- active and knowledgeable in the Denver music scene
- experienced and confident in the recording studio

- available to practice and play out regularly around Denver as well as the region (FoCO, the Springs)

this is your chance to get us a drummer and lets
