

I am looking for a new car (2500 USD)

Location **Alabama**
<https://www.genclassifieds.com/x-637504-z>

here in the beginning of September i will be looking for a reliable car. I travel around 70 miles a day to and from school and work. Looking for little to no damage definitely no mechanical issues and must be able to meet to where i can have a mechanic check it out at a shop. No manual and definitely no pt cruisers. And something that will handle well on a.
