

welder fabricator (englewood)

Location **Colorado**
<https://www.genclassifieds.com/x-637569-z>

Looking for someone that welds mig and knows how to fabricate rails. All steel Grinding, cutting, shop tools etc.
This will be considered a part time position as hours may be a little irregular.
Gig is for 6-8 weeks
Availability to work weekends is a plus.
Looking at 30-60 hours per week right now.
Rate dependent on experience, but you will start off for one week at a lower rate. We want to see your capabilities.
Call between 11am-6pm
