Last chance . I am looking for a clean mr2 turbo only . My car is very well taken care of has no problems , price reflects that .Only resend I am considering to trade is because I've owned Mr2s in the past and I wouldn't mind having one again . If you now about cars you would be getting a superior built car in the s2000'. My car is all up to date and nicely finished , looks and drives like an exotic car ,So if you have a clean Mr2 turbo , I prefer a 95,94 or 93 but will settle for 91 or 92 if it's clean and with no problems like my car . Thank you . If you are really interested please contact me . I'm not looking to give my car away . My name is Jorge call me at Thanks

Other cars of possible interest to trade,have to be clean: 97,98,99-VR4 ,Dodge Stealth turbo, Range Rover , Rx7 Turbo 3rd Gen,,
