

Jack Russell Terrier

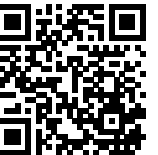

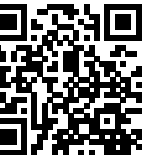

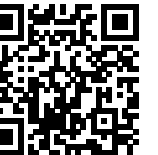

Location **Alaska**

WE are the FOSTER home for this doggie and need to find her a permanent home!

She walks on a lease well
 She is house trained.
 She plays fetch and tug-a-war like she is getting a paycheck! She loves to play these games!
 She desperately needs someone to love her and give her a forever home!
 She really does want to please someone and you can see she wants to trust you and be petted...but she gets scared and nervous about being touched until she gets to know someone.
 She is up to date on shots - and spayed
 She will bark at anyone that comes near you when you are walking her and wants to protect her person!
 She is funny :-) -- she LOVES playing and fetching!
