Leonardo was surrendered to the shelter when his owners could no longer care for him. He is a very sweet and friendly little Chihuahua, Dachshund mix who is about 10 months old. This guy has a huge personality in a little body!! He loves to interact with the other dogs in his foster home. He has picked up his foster's routine very quickly. He does not like stairs which is actually quite comical because he exudes so much confidence, yet won't do stairs. Leonardo is working hard on his crate training. He likes to be in the middle of everything and enjoys sitting on laps and giving lots of kisses! He's a very outgoing little fellow that can't wait to find his forever home in the D.C. area!
