

Professional Session Singer for Recordings Pop, New Wave, Indie (cole valley ashbury)

Location **California**
<https://www.genclassifieds.com/x-637783-z>

If you are looking for someone who is professional, easy to work and friendly, to make a professional level sounding recording or demo, please take a listen and read on!

I'm female soprano with a large range and can sing in varying styles including Indie Rock/Pop, Americana, Pop, Punk pop, Electronica, New Wave etc. I am NOT a good choice for R&B, Metal, or rapping. I love those genres, I just don't have the voice for them, though I have sung hooks in the context of rap and hip hop.

I've sung on recordings for major label Rounder Records, dozens of pitches for commercials from Dodge and ABC to Ebay, Mustang, Target, Fox, Glade, Caesar Dog Food, Fanta, and Doritoes and was heard for 6 years on commercials on T.V and Radio for Honda.

You can hear some samples of my commercial work here: <https://secretsons.bandcamp.com>

I am a songwriter and performer with over 20 years of experience.

You can hear my music here: <https://odessachen.bandcamp.com>

and my dance electro pop band (still in the works) here: <http://wearethegreatfires.bandcamp.com>

I charge \$150 per up to a 5 minute long song. This includes the Main vocal plus a sung (not copied) double of that track in case you want to thicken parts by mixing one lower. It includes one background vocal part (also doubled), potentially 2 back vocals provided they do not span the entire song.

Tracks are recorded into Logic Pro X at my home studio using a Millenia Pre-Amp and a Røver R-122 Tube Microphone. I have 15 years experience recording at home.

If you would like me to travel to your home studio we can discuss that.

If you want the song sung in the style of someone you love, send me a reference song so I can hear what you are envisioning.

At least half of the payment is due up front and half after you receive the files via [ashburn3d.com](https://www.ashburn3d.com). If you want ashburn3d to send you the files via email, send an email to info@ashburn3d.com and ask for a quote. If you want ashburn3d to send you the files via email, send an email to info@ashburn3d.com and ask for a quote.

If it's easier for you to pay up front, I have references if you need them. www.georgejones.com

I can't help you write the song.

I'm currently not available to join projects, no matter how awesome.

I'm not available to sing live unless the payment is \$500+ per gig
as there is a lot more prep and energy that goes into a live performance.

I do not sing songs on spec.

Thanks for getting this far! I look forward to hearing from.
