Hi! Wawas Daycare is now offering full/part time spots in Berkeley. We are accepting infants/toddlers, starting at 5 months from 4 years. I have 10 years of experience, and my daycare is biligual (english/spanish). We provide meals, which includes breakfast, also snacks and lunch. All meals are home made, not processed. I have cpr training/first aid, and references. Please if you would like more information, contact us! Here are some pictures of inside/outside of my daycare.
