Toula
Catahoula and Pitbull Mix

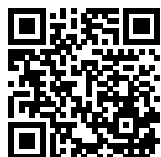

This 2.5-year-old loving pup is looking for a family that likes to have fun! Toula is intelligent, focused, and enjoys her training sessions at K9 Clinic because she learns new tricks quickly. She is a great companion and likes to ride along for everything. She patiently waits outside of stores, and has good obedience. Her favorite activities include chasing after sticks, resting in the sun, and long walks (she's already mastered loose-leash walking). Toula would do best in a home without young children. She likes people and dogs with good introductions, but at the end of the day, Toula loves nothing more than cuddling with the people that love her. For more details, or if you want to meet Toula please contact us. Thanks!

Microchipped, spayed, vaccines current, very healthy dog. Adoption fee applicable.
