Help us bring EXTRAORDINARY entertainment to desperately lonely people in NURSING HOMES. Let's perform great OLD tunes from their era to bring them back in time, a time when they were young and happy..... Let's bring them QUALITY music because we owe our elders so much !

Our musician AND non-musician volunteers often say that these one hour shows for the sick and lonely people in nursing homes are some of the best moments of their lives !! Here's an example of what we do from January to November (but not all the bands that we put together are THIS good !)

Take a look at these "AFTER .... and BEFORE pictures" and SEE what a tremendous gift the right music is to these desperately lonely people!

Yes, we can often help out with gas money but this is a VOLUNTEER effort. If this idea touches your heart, please call our toll free number (8 8 8) 7/7/7-0/7/6/4 or call our cell phone number (213) 3 8 8 - eight five zero zero till midnight any day of the week. These people NEED us!

So many of these people will not be around much longer. Let's get to them now !
