Happy Sunday!

<http://www.hustlenewsletter.com> was put on the planet for one reason and one reason only. To help 1099 independent contractors that can't, don't or won't work a 9-5 find flexible AND reliable sources of income. <http://www.hustlenewsletter.com> has helped thousands of folks find a gig or two that they can do whenever (and wherever (in Los Angeles + SF + NYC)) they want.

Please join us on our journey!

<http://www.hustlenewsletter.com> currently has opportunities for personal shoppers, landscapers, writers, dog walkers and caterers and we're onboarding new ones every week :)

Talk to you soon!
